

New Online Tool to Update Your Demographics

GO ONLINE AND NOTIFY US IF YOUR INFORMATION CHANGES

Effective June 17, 2022, you are no longer required to log in to the provider portal at www.healthnet.com to change your demographics. If you log in and try to make updates, you will be directed to the new pre-login link.

Update and submit your demographic information in 4 steps

1. Go to provider.healthnet.com > **Working with Health Net (located under "Want to work with us")**.
2. Select **Provider Demographics Update Form**.
3. Complete the online form with required fields and fill out, as applicable, if your information has changed.^{1,2}
4. Once you submit the form, it will be sent to Provider Network Management Operations to update the data in the ProviderSearch tool on www.healthnet.com and the Find A Provider tool on www.calvivahealth.org.

Questions?

For questions about the information in this flyer, contact CalViva Health at 888-893-1569.

¹The fields are not pre-populated as providers are not required to log in to update their information.

²Providers contracting through a participating physician group (PPG) must notify the PPG directly of changes, and the PPG notifies the Plan.
